

## Invitation to Network Meeting

### Global Action Network Sustainable Food from the Oceans and Inland Waters for Food Security and Nutrition

*Tuesday 11th October 2022 at 15:00 – 17:00 (GMT +2)  
German Room, FAO Headquarter, Rome/Zoom*

We are pleased to invite you to the upcoming meeting in the Global Action Network Sustainable Food from the Oceans and Inland Waters for Food Security and Nutrition.

At this meeting we will give a short presentation of the network, and together we will sum up the achievements so far and plan for future work. We welcome you all to share information on actions done in 2022, supporting the Network's [mission](#). We will also discuss how we can continue to mobilise strong actions and increase knowledge and awareness related to sustainable aquatic food systems and their role for food security and nutrition in 2023.

The network meeting will be a hybrid meeting. It takes place in conjunction to the [CFS50](#) at FAO Headquarter in Rome. Those who have access through their delegations may join the meeting in person in the German room at FAO Headquarter. Others may join virtually via Zoom.

The program will be published shortly. Please contact the [network organizers](#) if you have any questions.

REGISTRATION FOR ALL ATTENDEES

We look forward to welcoming you at the meeting
